LIST OF OFFICERS

OF THE

COLONIES ON THE DELAWARE

AND THE

PROVINCE OF PENNSYLVANIA.

1614—1776.

HARRISBURG:
LANE S. HART, STATE PRINTER.
1880.

[NOTE.—This List of Officers of the Colony and Province is probably not complete; yet for its preservation, as also reference, we present the imperfect record as it is. The dates are given as we have found them on various commission books. These are those of appointment, assuming of office, or of commission, and in most instances extremely difficult to determine which. As to the orthography, we have been guided mostly by the records, save where the spelling could be otherwise properly authenticated.—*Editors.*]
